

Do you want to know more about the **ORE VALLEY GREENWAY ?**

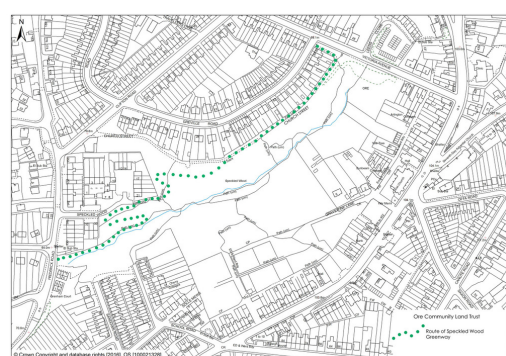

Come along to one of our Information Days

Ore Valley Greenway will be a network of walking & cycling routes from Ore Station to Broomgrove and through Speckled Wood to Ore Village (shown in the Hastings Local Plan). Funding could soon become available to make these off-road and attractive routes, at gradients suitable for mobility scooters & push chairs, a reality.

Ore Community Land Trust is working with the **Hastings Greenway Group** and other organisations to promote this important sustainable travel option.

Detailed design work on the Speckled Wood section of the Greenway, funded by Big Local NE Hastings, has now been completed. There is also a plan to construct an informal Greenway from Ore Station to Broomgrove Road in 2017.

Ore Valley Greenway Community Information & Consultation Drop-in Sessions.

Friday 16 Sept. - The Bridge, Priory Rd
from: 6.00pm to 8.30pm
